

I AM NOT A MARTYR

a zine by alyssa cuffie

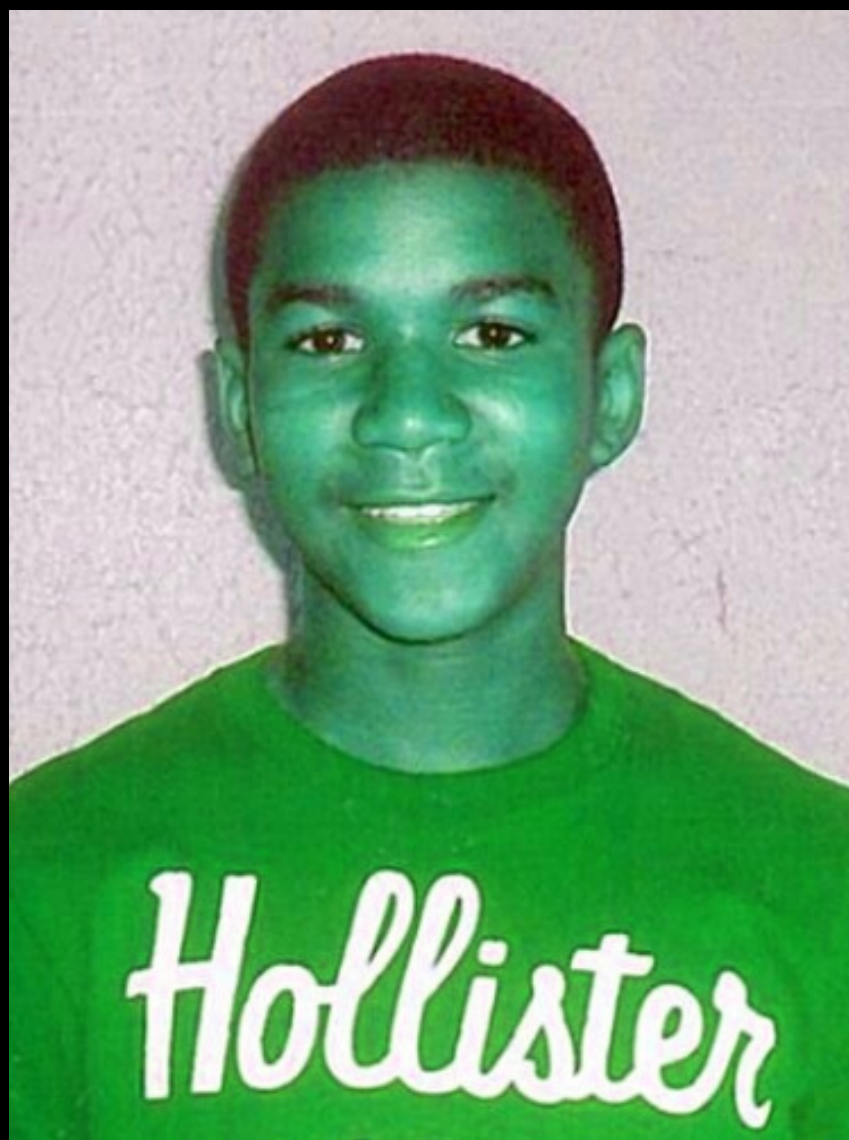

I am not a martyr
I did not want to be the face of the
revolution
I did not want you to share my face in your
instagram story
I didn't want to be a hashtag
I didn't want to be a fleeting memory
Or for you to even know my name at all

I wanted to go for a run

I wanted to hang with friends

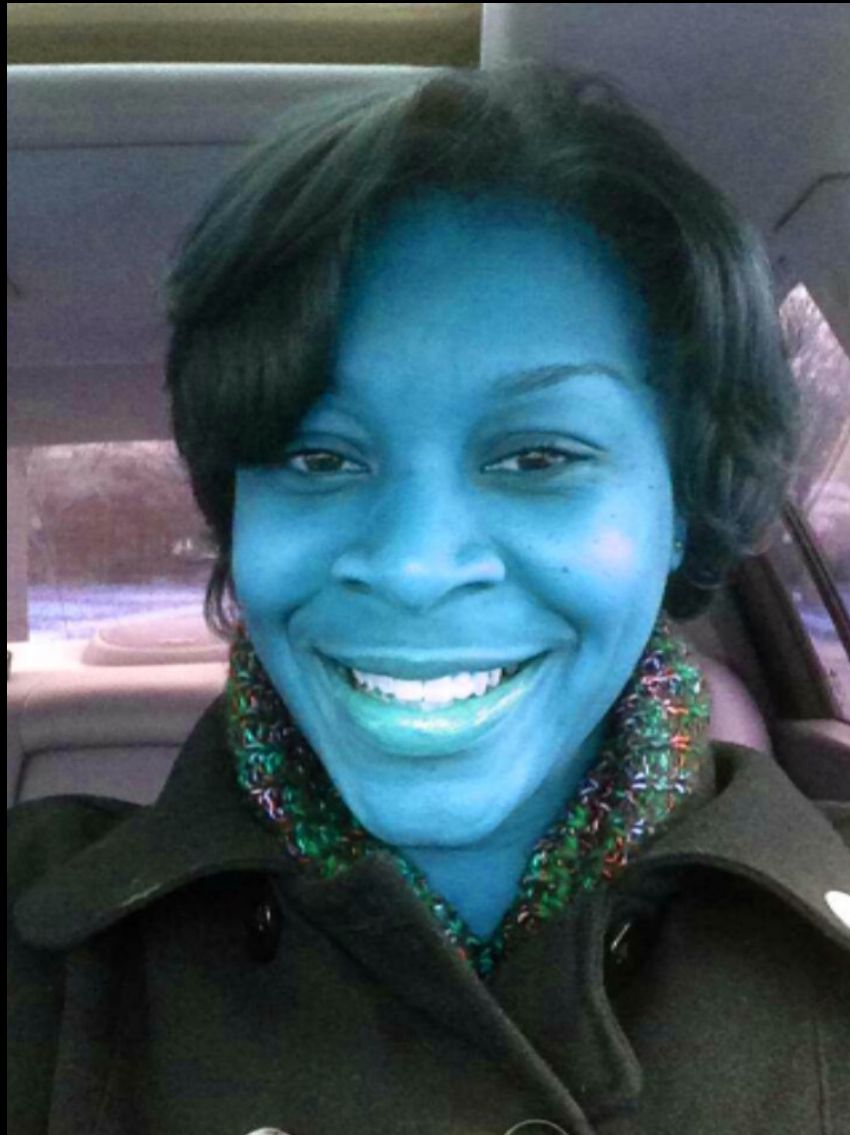

I wanted to get snacks

I wanted to be home

I wanted to play at the park

I wanted to go for a drive

I wanted to sell cigarettes

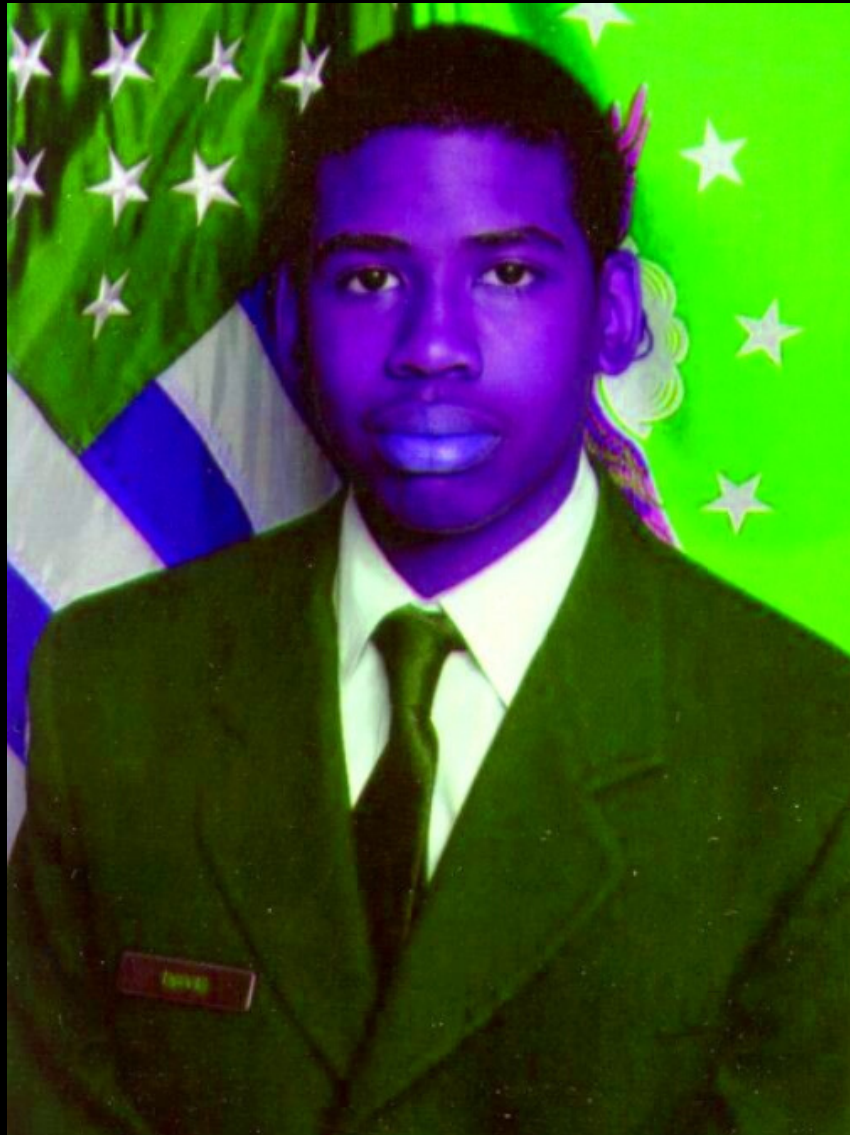

I wanted to be my true self

I wanted to get help

I wanted to sleep

I wanted to listen to music

I wanted to protect my child
